

LET YOUR CREATIVITY TAKE FLIGHT.

FROM THE CREATORS OF THE 6D™ EMBROIDERY SYSTEM

 **PREMIER+**[™]
Embroidery System

The companion for your HUSQVARNA VIKING® or PFAFF® machine. Supports most other leading embroidery machines.

LET YOUR CREATIVITY TAKE FLIGHT.

The new PREMIER+™ Embroidery System gives you creative freedom to design beautiful, one-of-a-kind garments, accessories, home furnishings, and more. Available in three levels: Ultra, Extra, and Embroidery, you're sure to find the right one to take your creations to new heights.

PART OF THE PREMIER+™ EMBROIDERY SYSTEM

- See special effects in three dimensions as you create your project—including puffy foam, appliqué fabrics, and decorations like beads, sequins, hotfix crystals and nailheads
- View designs with special felting, cutwork, twin, and wing needles, or with techniques such as dual threads
- Store special effects and colors right in your VP4 files
- Designs are shown and stored in your real-life hoop, in natural or rotated position
- In Life View, see your project in real-world perspective, varying the angle of the embroidery
- Watch your design “stitching” on the screen including stitchout hints in the Design Player
- Touch gestures supported on Windows® 10 and Windows® 8 touchscreens include Pinch Zoom, Autoscroll, and Select and Move, as well as Pinch to Resize or Twist to Rotate
- Easily load and save most popular embroidery file formats
- Export popular image file formats from appliqué outlines or decorations in most modules, including appliqué piece outlines for needles or cutters, and crystal transfer templates
- The ribbon bar in many modules with related features grouped together makes the software so easy to use
- Friendly, helpful tooltips and extensive program help are built in, plus comprehensive user's guides and an online learning center

PREMIER+™ WINDOWS® EXPLORER PLUG-IN

It is easier than ever to manage your design files, with native support for Windows® 10, Windows® 8, and Windows® 7. Sort by name, width, stitch count, and more. Easily convert a batch of embroidery files to other formats or pictures, and even print 3D design worksheets.

PREMIER+™ THREAD CACHE

Organize and select from your own thread stash and create your own palettes with PREMIER+™ Thread Cache. Monitor your thread inventory and automatically generate shopping lists for your mobile phone or tablet.

PREMIER+™ EMBROIDERY

PREMIER+™ EMBROIDERY enables you to adjust, monogram, personalize and group your embroideries with an enormous selection of designs and lettering. Realize your vision in project areas up to 4 meters in width and height. Select from SuperDesigns and fonts with Multigradient and Multicolor satin and countless special effects.

- Rotate and mirror designs instantly, and resize any design while maintaining stitch density
- Move, rotate, mirror, or resize designs in a group, or edit them individually. Group and ungroup even after saving.
- Align and arrange designs, even moving them into the hoop automatically
- The PREMIER+™ QuickFont Wizard with improved outline recognition helps you instantly create lettering from most TrueType® and OpenType® fonts
- Easily access the ExpressMonogram wizard to create elegant monograms, and enjoy extensive control over lettering and spacing
- Enjoy unlimited editing of text and stitch types in your lettering, SuperDesigns, and frames—even after saving
- Surround designs with frames, flourishes and borders, optionally with appliqué fabric, grouped together automatically
- Add unique motif stitches from your embroidery machine
- Repeat your favorite embroideries across your chosen hoop with the Endless feature
- Encore multiple designs along 8 different line types, in a circle, in one of 28 different shapes, or as a border to your hoop
- Export appliqué outlines for cutwork needles or automated cutters
